

Scientific History
of Prof. Dr. M.N.H. Comsan
(Curriculum Vitae)

Name	Mohammad Nassef Hussein Comsan
Date & Place of Birth	20 Feb. 1939, Samalut, El-Minya, Egypt
Sex	Male
Nationality	Egyptian
Marital Status	Married
Education	*University Diploma (M.Sc.) in Physics, Jan. 1963, Faculty of Physics, Moscow State University, Moscow, U.S.S.R. *Candidate (Ph.D.) in Nuclear Physics, Jan. 1968, Physics-Technical Faculty, Kharkov State University, Kharkov, U.S.S.R.
Employment History	Professor 1978 Associate Professor 1973-1978 Assistant Professor 1968-1973 Demonstrator 1963-1968 All at the Atomic Energy Authority, Cairo, Egypt
Present Status	Emeritus Professor of Nuclear Physics, Atomic Energy Authority, Egypt.
Scientific Supervision	20 MSc. Theses in Physics and Applied Mathematics. 10 Ph.D. theses in Physics and Applied Mathematics.
Professional Qualifications	Qualified expert in radiation protection, Ministry of Public Health, Egypt No. 45 (1991)

Membership of Scientific Societies

- i) Member of the Board of the Egyptian Society of Nuclear Sciences and Applications (1977-1988).
- ii) Member of the Editorial Board of the Arab Journal of Nuclear Sciences and Applications.
- iii) Member of the Physics and Mathematics Society of Egypt (1968).
- iv) Member of the Egyptian Physical Society (1970).
- v) Founder and President of the Egyptian Nuclear Physics Association (ENPA), 1997.
- vi) Assoc. Member of IoP, UK, 1999.
- vii) Member of IRPS, Australia, 2001.
- viii) Member of WIF, UK, 2002.

Scientific Journals

- Founder and Editor-in-Chief, Journal of Nuclear and Radiation Physics (JNRP), 2006.
- Member, Editorial Advisory Board, Journal of Nuclear Research and Development, 2011.
- Member, Editorial Board, Journal of Radiation and Nuclear Applications, 2016.

Scientific Publications

139 scientific publications in Egyptian and international science journals and conferences:
